

As a Christian and a citizen of the Wilmington, NC listening area, K-LOVE radio has been a very beneficial resource of uplifting entertainment for my family. This radio station benefits our entire community by playing music and content that is not only entertaining and a joy to listen to, but that is encouraging as well. I never have to worry about the content played on K-Love, or whether or not my children will hear any offensive language or topics. If K-LOVE is displaced by an LPFM broadcaster in my area, there is no guarantee to what type of broadcaster or content would replace K-LOVE. Losing K-LOVE to an LPFM would be a serious loss to our community, as many people have given time and money for supporting our station.
